

Ease employee stress as they embrace difficult caregiving transitions.

Give your employees peace of mind that they are working with professionals who strive to meet the goals of your family.

For Your Employees

Our services lay the foundation to support caregivers trying to do it all.

Guided Group Coaching

All the help and information your employee will need to set a solid caregiving foundation in six weeks. Our time together includes calls, videos, community support, and proven tools to assist your path forward.

Family Mediation

Your employees can work with a SandwYch mediator to create care agreements and move forward to understand the complexities of caring for a loved one.

Community

Caregiving is hard enough; when you join the SandwYch community, your employees will receive the support they need through ongoing updates and access to caregiving techniques.

Support. Connect. Empower.

When the safety and well-being of their loved ones is a concern, nothing else matters.

Support your employees with tools they need to be powerful care advocates for the people in their family.

Maximize leave-of-absence time with support from a SandwYch expert before they take time off.

Provide peace of mind for long distance caregivers by connecting to an established local network of support.

Give your employees and their families access to licensed professionals who will help them navigate care options.
